

A-MARK

Ratings Private Limited

A-Mark is one of the Leading & Most Reputed Certification Body.

A-Mark Ratings Private Limited is an internationally authorized certification and inspection Body located in India that aims to provide management certifications to various industries and professions.

ABOUT A-MARK

ISO certification is one method of providing standards to enterprises, paving the door for innovation and trade development. These standards help ensure that the organization's products and services meet customer and regulatory requirements. Additionally, it displays ongoing improvement. ISO is an international organization that develops standards to ensure the quality, safety, and efficiency of products, services, and systems.

Certification can help you gain credibility by demonstrating that your product or service satisfies your clients' expectations. Certification is a legal or contractual obligation in various sectors.

WHAT DO WE DO?

We conduct an audit examination in accordance with the International Auditing Guidelines and published ISO Standards for products and systems. Through our assessments, we hope to offer value to the organization. Audit is an organization's only effective instrument for improving efficiency, quality, and control.

We assist firms in overcoming their fear of auditing through awareness programs that demonstrate how evaluation is meticulously planned and established within the framework of international standards.

WHY US?

- On-Time Service Delivery as Promised
- The Executive Team is available 24 hours a day, seven days a week.
- Another Advantage of Quality Ratings
- Services at Reasonable and Competitive Prices

MISSION

Our aim is to assist organizations by providing the greatest and most value-added services, as well as to serve our customers with unrivaled honesty, integrity, and quality.

Experts from throughout the world agree on ISO standards.

Standards include a wide range of operations, such as manufacturing, process management, service delivery, and material supply.

Standards are the distilled wisdom of people who are experts in their field and understand the demands of the organizations they represent, such as manufacturers, dealers, purchasers, customers, trade groups, users, or regulators.

A-Mark provides certification services for the ISO standards listed below:

- ISO 9001:2015 Quality Management System
