Dear Sir/Ma'am

This is in response to your proposal for empanelment of your firm with QCI for Assessment and Certification of MSMEs under "MSME Sustainable (ZED) Certification" Scheme. We are pleased to convey that subsequent to the approval of the competent authority, your application has been accepted. Your empanelment with QCI as organizing partner shall be governed by the following terms and conditions:

1. The area of empanelment of your firm shall be for Assessment and Certification of MSMEs.
2. The duration of empanelment shall be for 6 months from the date of this empanelment letter. The period may be extended further by QCI depending on the requirement, performance and other criteria as deemed fit by QCI and on approval of the competent authority.
3. The empanelment letter does not guarantee allocation of work to the empaneled firm by QCI. The allocation of work among all the empaneled agencies will be made by floating limited tender enquiries/nomination basis as and when the requirements arise. QCI reserves the right to adopt measures deemed fit for allotment of work as and when required
4. The empanelment letter shall not confer any right to engagement for Assessment and Certification with MSMEs directly in the name of QCI, by the empaneled firm.
5. The empaneled firm or its associates/companies are not allowed to use the name of QCI, its logo, service marks or any document for any purpose without the prior written approval of QCI.
6. The empaneled firm will follow all SOPs as laid down by the ZED Division for the conduct of assessment, surveillance and certification.
7. QCI reserves the right to cancel the empanelment letter issued and debar the firm if it is discovered that the firm had produced any false information, on continued delivery of unsatisfactory services, insolvency of the company or any other ethical ground as deemed fit by QCI by giving a 7-day prior written notice.

You are requested to acknowledge the above within three working days. We look forward to working with you!

Thanking you
